No.1281.

SHANGHAI. 2nd May 1938.

Sir,

With reference to the letter of this Consulate General of February 9, 1938 No.392 and your reply of February 12, 1938 No.D.8346 with regard to Vladimir Ilyich Malkoff, I have the honour to inform you that the authorities at Batavia have confiscated two letters received from Bangkok and addressed to Mr. G.Krupp, Poste Restante, Batavia. The sender gave his address as Mr.Chanon - Poste Restante Bangkok, and informed Krupp (Malkoff) that he intended to travel to Penang, where he would deposit his secret address in a letter addressed to Krupp, Poste Restante at Penang.

Investigations made at Penang by the British authorities have established that the person in question is Constantine Leo Ivanoff alias Evans, who was residing at Penang, International Hotel, 7 Peith street, on the 9th January 1938.

Ivanoff appears to be wellknown to the Hong Kong Police in connection with a case of fraud.

In the course of 1937 the Police at Batavia received an anonymous letter a copy of which is enclosed herewith together with a copy of a photograph.

I should be greatly obliged to you if you would let me know whether this person is Ivanoff and whether anything is known against him.

I request you kindly to have the photograph returned to me in due time.

I have the honour to be,

Sir,

Your obedient servant,

The person whose photographs and fingerprints are attached herewith has been identified as Vladimir Ilyich MALKOFF who is known to have been residing in Shanghai for various periods prior to 1932.

From the particulars he gave when registering at the Russian Emigrants' Committee, 118/1 Moulmein Road, in September, 1930 it appears that he is a Russian who was born on November 21, 1911 at Blagoveschensk, Siberia. Shortly prior to the occupation of Vladivostok by the "Reds" in November, 1922 he left that city together with his mother and elder brother for Harbin and in 1923 proceeded to Shanghai in order to re-enter the Habarovsk Military Cadets School which had been evacuated from Vladivostok to Shanghai towards the end of 1922. Following the departure of the school for Yugoslavia in 1924, he left for Harbin. Returning to Shanghai in 1926 he attended the Thomas Hanbury School until 1928, after which he again left for Harbin, where he claims to have been employed for some time with Walter Eschig & Co., a German firm, as an office clerk. On 28-9-30 he arrived in Shanghai and resided in this city for the following two years or so, after which he is reported to have left for Canton.

He first came to the notice of the Shanghai Municipal Police on October 21, 1931, when he was sentenced by the 2nd S.S.D. Court to 30 days imprisonment on a charge of larceny.

In February, 1934 he was arrested by the Police of the International Settlement of Kulangsu, Amoy, on a charge of larceny. The circumstances of this case may present an interest in connection with the present enquiries:-

Police that Malkoff, in company with another individual with a criminal record, used to enter foreign houses on various pretexts. After one of such visits jewelry valued at \$ 1400 was found to have been stolen from the house concerned, and an hour later the two men were arrested on board of a steamer due to sail for Swatow. Their possessions consisted of two small bundles of clothing of little or no actual value. Letters found on them would indicate that many articles have been forwarded from Canton, their headquarters at that time, for sale to Harbin. On account of the fact that the missing jewelry could not be located, the Court did not consider the evidence sufficient to convict. However, both men were sentenced on 16-3-34 to 14 days imprisonment for trespass with intent to commit a felony.

His brother, Alexander Ilyich Malkoff, has been in the employ of the Shanghai Municipal Police for over 4 years and since 1935 has been attached to the Communication Control Room.

The amateur radio station XU 8 RB mentioned in the communication in question is the property of a friend of A. Malkoff who experiments on a set made by himself. It appears that A. Malkoff, for the purpose of testing this set, endeavoured to use it in communicating with his brother.

There is no record in the Municipal Police of any person named G.A. Krupp, W. Beck, M. Bining or Schoers. It is possible that the latter name is a misspelt version of "Shura" ( or Schura, Schoora, Schoura) -an intimate name given to those called Alexander by Russians. It would be quite natural for Alexander Malkoff to sign in this manner letters which he addresses to his brother.

Sir,

I have the honour to inform you that on January 20, 1938 at Batavia was arrested GENRICH ANATOLE KRUPP, alias WLADYSLAW BECK, alias MICHEL BINING, alias VLADIMIR ILICH MALKOFF.

The person in question was arrested for a theft of diamonds at Semarang on the 19th January 1938.

He was in possession of two passports (Polish and Czechoslovakian), which according to his statement are false.

During his trial he revealed that his real name was VLADIMIR ILICH MALKOFF, 25 years of age, born at Blagoveschensk (Siberia) on August 5, 1912. He arrived at Harbin from Vladivostock in 1921, together with his mother and brother.

From 1922 till 1931 he stayed at Harbin and Shanghai and went afterwards to Canton.

In 1933 or 1934 he was arrested by the Police at Hong Kong for small shopthefts and was expelled from Hong Kong for a period of ten years.

From one of the letters confiscated by the Police at the Postoffice at Batavia it appears that he received mail from a person at Shanghai named Schoers. According to the statement of "Malkoff" this is his brother who is connected with the Police at Shanghai. In this letter is mentioned that Schoers regularly visits an amateur Radio Station XU 8 RB and that he request his brother to get in touch with a radio amateur at Java in order to be able to communicate with each other.

I should be greatly obliged to you if you would let me know whether the persons mentioned in this letter ever came to the notice of the Police at Shanghai.

Two photographs and one card with fingerprints from Malkoff are enclosed with the request to have them returned to me in due time.
